

We are continuing to restore our systems. We have published the *Weekly Natural Gas Storage Report* and *Monthly Energy Review*. The *Natural Gas Weekly Update* and *State Energy Data System* update will be published today, June 30, 2022. We will continue to post regular updates regarding the status of other data products.

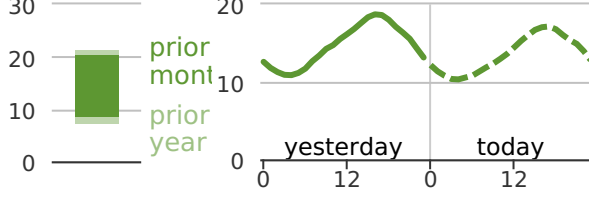

Total Southern California

Total SoCal load (GWh)

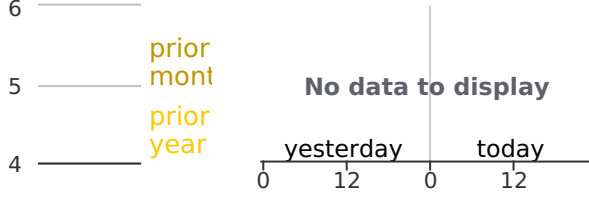

SCE Southern California Edison

SCE load (GWh)

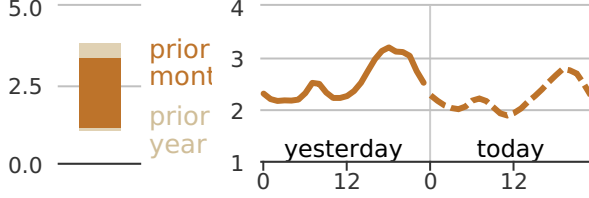

LADWP Los Angeles Department of Water and Power

LADWP load (GWh)
